The summary in points

- » Once there was an old man called Gepetto, he was poor and lived in a small town near the sea. He was a carpenter. One day he made a boy out of wood. He made a wooden puppet. He called him Pinocchio. Suddenly the wooden puppet was full of life. Gepetto wanted him to be his son, but the puppet ran out of the door and Gepetto ran after him, but he couldn't grab him. When Pinocchio ran back to Gepetto's room, he couldn't find him. He found a green cricket on the wall with very bright eyes. He was very hungry but no one was in the room. The green cricket advised him to be good to his parents and to go to school and help people but Pinocchio was angry and chased it. He knocked on the door of someone for food but they didn't give him any. He ran back to his father's room. He sat next to the fire and his wooden feet got burnt.
- » When his father came back, he asked him to make him new feet and to give him something to eat. His father gave him three hard green pears.

1) Answer the following questions: Pages (1 - 5)

1- Who was Gepetto?

↳ He was a poor man and he lived alone in a small town near the sea.

2- What was Gepetto's job?

↳ He was a carpenter.
