Hi, Azza!  
I am back from my holiday in Paris. I had a wonderful time! Paris is a great city for a holiday because there is so much to see and do. The food is delicious. I ate a lot of new things, for example, snails!  
One day, we climbed the Eiffel Tower, and from the top we had a view of the city. We visited museums and had a picnic in the Luxembourg Gardens. We also went on a boat on the river Seine. What a pity! We did not have time to go to the Science Museum. I also wanted to see the art at the Louvre, but it was closed. Near our hotel there was a busy market. I bought a T-shirt

and some postcards. I also bought you a souvenir. It is a very small Eiffel Tower! You can put it next to your bed. It has got a light on the top.  
See you soon!

**3-Read the following, then answer the questions:**

Everyone loves snacks! But some snacks are bad for us. What is the best way to enjoy healthy snacks ?

It is OK to eat crisps and cakes sometimes, but you should not eat too many of them. Crisps have a lot of fat and salt. Cakes, chocolate and biscuits have a lot of fat and sugar. Too much of this type of food is bad for our bodies.

Fruit is a great snack! It is very good for us and most people like the sweet taste. You should eat between two and four pieces of fruit a day. Beans and vegetables do not have much sugar or fat. They are very good for us, so we should eat a lot of them. Snacks like hummus with carrot and pepper are delicious. We should be careful, even with healthy foods.
