## Reading - Finding a penfriend - ( SB. L.6 page 10 )

I'm from El Faiyoum. It's a large city with beautiful nature reserves nearby. I live with my parents in a flat. My grandparents live in a flat downstairs.

On Saturdays, I usually get up early and help my grandmother with her shopping, then I read or do my homework. In the afternoons, I visit my friends or play computer games with my brother. My favourite subjects are maths and English. I'm looking for a penfriend because I want to practise my English!

## Reading - New Message

**Hi Abdul!**

Thank you for being my penfriend. I'm from England, I get up at about half past seven, and then my mum makes breakfast for the family. I walk to school with my brother. Our school finishes at three o'clock. After school, we sometimes do sports or play music. I don't watch TV when I get home. I always do my homework first. Tell me about your typical daily routine in Germany.

**Hi Dan!**

*Thanks for your email. In Germany, school starts very early in the morning. So I don't have breakfast before school. There is a "breakfast break" after the first lesson.*

*How many lessons does your school have every day?*

## Listening - Listen to two description of bedrooms

My bedroom is beautiful. I have a lamp on my bookshelf. It helps me to read in bed. There are big curtains on the window. The curtain match the carpet. The best thing I like about my room is that it is big and comfortable.

*I like my bedroom very much. I have nice curtains. I sometimes sleep with the curtains open. I like to read on my armchair. I have a basin in my room where I wash my face before I go to bed.*
