He doesn't have a car, so he walks to school with his brother and friends. He has five subjects every day. His favourite subjects are English and Arabic. He also enjoys science. ### My hero / A person that I am proud of

Today, my father is an important doctor. My father's life used to be difficult. He studied to be a doctor at Cairo University and used to work as a doctor, too, sometimes at night, to learn all he could. He then got a job at a big hospital in Cairo. He continued to work hard but he didn't stop his studies and soon he became one of the most important doctors in Cairo. Now, he works in a big hospital in New Cairo. In 2020, many people became ill and he worked every day for many weeks to help them

### **A job you like**

I want to be a doctor, but I need a lot of skills to do that. Tomorrow, I'm going to visit my uncle. He's a doctor, so he can give me some advice. Next summer, I'm going to study English in England. You need to speak good English to be a doctor. Before I leave school, I'm going to do voluntary work at a children's hospital. In a few years' time, I want to go to a good university. Then, in about ten years' time, I think I'll be a doctor in a good hospital.

### **What makes a hero**

A hero is someone who can show courage when they face a problem. A hero is a person who is able to help the others in many ways. A person can become a hero by saving someone who is in danger. Another example of a hero is someone who is there to help others to go on through difficulties of life. A hero can be someone who gives up their life so that others could live. A hero does not always have to show courage, he can be afraid, but still be a hero through his other actions. A hero can be a teacher. He can teach you to read or write and that will make a big difference in your life. That is a hero to me, someone who makes a difference in a person's life.

### **A historic place**

Jerash is a Roman city in Jordan. It is more than 2,000 years old. When you go there, the first thing you see is the entrance to the city. The arch is very tall. You must buy a ticket before you go in. The Romans enjoyed watching sport. There is a stadium for Roman horse races. You can watch races there today. Jerash has three Roman theatres. The biggest theatre is the South Theatre. Five thousand people can sit there. There is a temple on a hill. There is an amazing view of the city from there.

### **Random Acts of Kindness**

Our class decided to try to do one act of kindness for three days. This is what I did. First, on Monday, I bought my uncle some of his favourite books at the bookshop on the way home from school. He was surprised, but very happy! The next day, I let some younger students go into the canteen in front of me. Finally, on Wednesday, I took a sandwich and a cold drink to the old man who often sits on our street corner. He gave me a big smile. In my opinion, doing random kindness is fantastic. I don't want to stop

### **Life in Ancient Egypt**

The Ancient Egyptians were very simple people. So, life in Ancient Egypt was different to today's. Poor children didn't use to go to school, but children from rich families used to start school when they were about seven. When they were at home, children used to enjoy playing games. When older parents died, they used to leave their houses to the sons. However, they used to leave things inside the house such as jewellery and furniture, to the daughters. The Ancient Egyptians were really great.

### **My home city**

My home city is Minya. It is located near the Nile. Lots of food is grown in the local area, like potatoes, wheat and sugar. The city is known for its delicious 'black honey'. The honey is made from sugar. Many ancient monuments and buildings are found in the city. We have a lot of trees and flowers in our city. There are also many parks and restaurants where people can enjoy and eat. There are good places for children to play and spend their time. My city is very beautiful and interesting!

### **Climate change**

Climate change means the change in the world's climate and temperature. Climate change is causing different kinds of unusual acts in the world's climate. It is the most discussed topic at the moment all over the world. There are many causes for climate change. Firstly, global warming is the main reason for it. Secondly, environment pollution is the main reason for climate change. Thirdly, cutting down trees is another cause of the problem. Climate change causes rise in temperature, floods, drought and ice melting which will seriously affect farming and all living things. We should reduce the bad results of climate change. Planting trees can reduce global warming. We should stop using bad chemicals which can reduce environmental pollution.

### **A visit to a place**

Last Tuesday, I went to the Museum of Islamic Art with my family. While we were waiting to go into the museum, I saw my friend Amir with his mum and dad! While my parents were buying the tickets, Amir and I decided what we wanted to see first. Amir and I found some tall doors with amazing designs on them. They were very interesting. We took a lot of photos. We stayed in the museum for two hours before we went home. We decided to visit the museum again.
