C- Reading

5) Read the following passage, then answer the questions:

Handwriting is one of man's most important skills. You can use *it* to send a message to your absent friend, remind yourself of what your teacher said in class. By holding a pen to your hand and forming letters whether in Arabic or in English to make words and sentences, you can communicate information messages and ideas. The way in which a person writes is called penmanship. It includes shapes of letters and words, the amount of space between the letters and words. Good penmanship should be easy to be read and understood. The best way to gain good handwriting is by practising it carefully.

A. . Give short answers to the following questions:

- 1- Why is handwriting important?
- 2- What does penmanship include?
- 3- How do you improve your handwriting?

B. Choose the correct answer from a, b, c, d:

- 4- The underlined pronoun (it) refers to.....
a) Arabic b) English c) handwriting d) information
- 5- Penmanship is the way you.....
a) say words b) pronounce
c) examine yourself d) write words

5) Read the following passage, then answer the questions:

Nowadays scientists are thinking of other substitute for oil because the world's supply of oil will dry up. They thought of the nuclear power, the solar energy. Scientists say that petrol -powered cars produce exhaust gases which pollute the atmosphere. There are many future predictions concerning obtaining energy. Some engines run on natural gas. Many cars and buses have been converted to run on natural gas. There will also be the electric car which will run on batteries but it can't store much fuel. Engineers in the USA are trying to design a super car which will run on both petrol and electricity. We can say that our future will witness many changes in energy and power.

A. . Give short answers to the following questions:

- 1- What are the engineers in the USA trying to do ?
- 2- What are the kinds of energy expected to be used in future?

3- Give a suitable title o the passage?

B. Choose the correct answer from a, b, c, d:

- 4- Petrol-powered cars produce exhaust gases which.....
a) clear the sky b) pollute the environment
c) clean the air d) purify the impurities
