C. Reading comprehension and Set Books (9 Marks)

51. Read the following passage then answer the questions: (6 M)

I think that we should start a book club for secondary and university students in our town. We could read both Arabic and English books. We could have meetings every week or two in the summer, and once a month during the school year. Here is why I think we should do it. First, if we have a book club, it will encourage us to read more. It's known that if people read a lot, they will write better. So, this will help us in two ways. Secondly, we will develop some responsibility if we take turns leading the discussion at meetings. The leader will have to read the book carefully. Thirdly, discussing books will help us to overcome any shyness. Everyone will have to say something. Reading good books will be a better way to use our time than playing games or reading comic books. Don't you agree with me?

a - Answer the following questions:

1 - What kinds of students do we want to have in the book club?
2 - Do you think it's a good idea to have these kinds of students together? Give your reason.

3 - How will the book club members develop responsibility?
