3 Read the following, then answer the questions :

We all agree that eating healthy food means having a healthy life. The food we eat affects our life more than anything else. Most people have three meals a day, but in fact they don't care about what they should eat for each meal. These meals must contain everything that our bodies need. They should contain vegetables, carbohydrates, fresh fruits, milk and proteins.

Although fast food is delicious and an easy solution for people who work long hours and have no time to cook, it is unhealthy and so expensive. It causes a lot of dangerous diseases.

To be in a good health, you should eat healthy food and practise sports as they renew our energy and refresh our minds. Also, doctors advise people to drink milk and a lot of water every day.
