1 Your daily routine

I'm thirteen years old. My daily routine is the same every day. I like getting up early, so I always get up at 6 in the morning. My mum always makes my breakfast. I always help her make it. Then I have a shower and put on my school uniform.

I always go to school by bus with my friends Ali and Ahmed. Sometimes we listen to music. My parents work at the nearby hospital. They get home late, so I often help to make dinner. In the evening, I do my homework, read on the sofa, watch TV and text my friends. I always go to bed at 9.

2 What you and your family usually do in the holidays

There are five people in my family: me, mum, dad and my two brothers. We don't usually have a routine in the holidays. I get up at 11. My mum is a housewife. I always help her make breakfast. My brothers help, too. My dad is a dentist. He usually takes us to a nearby park.

We always play and have fun when we go there. We have lunch and take a lot of selfies there. We go home at about four o'clock. In the evenings, I often listen to music. My dad and I sometimes play chess. My brothers always watch TV and my mum usually reads.

3 A description of your bedroom

We have a big family house. I like it so much. I really like my bedroom. There is always lots of sunshine when I open the curtains. I like seeing the sunshine when I get up. My bed is under the windows. I have a big wardrobe in front of the bed. I put my clothes in it.

There is also a sofa next to the window. I always read my favourite books on it. I put my things in a big chest of drawers. This is next to the door. I don't have a basin in my bedroom because the bathroom is next to my room. I have a big mirror. I always like to look at myself in it!

1 What is a hero?

A hero is someone who can be brave when they face a problem. A hero is a person who is able to help others. A person can become a hero by saving someone who is in danger. A hero is someone who puts people first. A hero thinks about other people before they think about themselves.

Fire fighters are heroes. They think about saving people. Sometimes a hero can be a teacher. He/She can teach you to read and write. That will make a difference to your life. We have a lot of heroes in Egypt who we're proud of.

2 How life used to be different in ancient Egypt

Life in Ancient Egypt was different to today. Poor children didn't use to go to school. Children from rich families used to start school when they were about seven. Children used to enjoy playing games. When older parents died, they used to leave their houses to the sons.

The Ancient Egyptians used to leave jewellery and furniture inside their houses to the daughters. They lived around the Nile River where they could grow crops. They built pyramids. You can still see these pyramids today. They knew a lot about maths, medicine and farming.

3 A person that you are proud of (your hero)

My mother is a person I am very proud of. When she was younger, she used to study very hard. She wanted to be a doctor. She used to work to help pay for her studies.

In 2020, there was a health emergency. Many people were in hospital. I became ill, too. I was in hospital for two weeks. She helped me and other people in the hospital. She was always very kind. She is one of the most important doctors in Cairo. I am very proud of her!

1 An object in your home

I'd like to describe my favourite object in my home. It's a vase. My friend Samy bought the vase from Aswan in 2000. It is made of clay and it was made in Egypt. The vase is fantastic. It is coloured beautifully. I put fresh flowers in this vase every morning. At present, this vase is kept on my desk. It makes my desk more wonderful.

This painting always reminds me of my grandfather because it is the best present I got from him. I like it very much. Paintings make walls look beautiful. So I put it on the wall of my room. I feel happy when I look at it. My grandfather bought it when I succeeded in my exams.

2 What you think we can do to protect the environment

We can help protect the environment in our everyday life. The most important way to protect the environment is to plant trees. Trees may take long to grow, but they are good for our children. We must also stop cutting down trees. We mustn't destroy gardens and forests. We must use less water when we wash or brush our teeth.

To protect the environment, we can walk, use bikes or public transports instead of our cars. Cars cause a lot of air pollution. We can collect rubbish and recycle it. This helps keep the environment clean. We should search for another type of fuel to use. We can use the wind or the sun instead of oil. Our environment needs our efforts to protect it. In this way we'll live a better life.

3 A description of a historic place you visited

It was our family's first trip to Luxor and Aswan. We flew to Luxor first. We began our tour with our guide named Ola. She made us feel happy and we visited all the places there. Ola was a clever guide. She gave us information about the ancient Egyptian culture.

In Luxor, we visited the Luxor Temple and the Karnak Temple. We bought tickets for the Sound and Light Show at the Karnak at night. It was amazing. In Aswan, we visited many wonderful places. We visited the High Dam, the Philae Temple and the Aswan Museum. I recommend this trip for my friends.
